## Highlights

- Our school has witnessed high results in all measures, and has surpassed the province in all areas. We are especially proud that all our results are over 90%.
- St. Martin de Porres is known for its strong Fine Arts programming. Since Fine Arts is at the heart of everything we do, we continue to celebrate and engage our students in authentic music, art, dance and dramatic learning experiences that are provided through specialized classes as well as infused throughout the curriculum. Each year, our students participate in a musical theatre production on the Main Stage at Red Deer Polytechnic.

# Faith Survey Results

## Targeted Areas

Our students had many opportunities to deepen their faith through mini faith lessons with our Faith Coach, masses and liturgical celebrations. We were excited to work on our Division Faith Theme through our weekly news program. Our news highlighted faith connections and inspirational conversations based on the liturgical calendar. This presented an opportunity for students and staff to nurture and witness their faith.

Our entire school implemented the new English Language Arts curriculum. Literacy instruction in the early elementary grades continued to focus on phonemic and phonological awareness. Our upper elementary grades focused on vocabulary and morphology to expand their understanding of the English language.

100% Percentage of students, parents and teachers reporting that students learn about the Catholic Faith at my school.

100% Percentage of students, parents, and staff who recognize that everyone needs to play a part in helping to make our world a better place for everyone.

100% Percentage of students, parents, and staff who would recommend St. Martin de Porres School as an excellent place to learn and work.

## Future Priorities

- ✓ Through whole group and targeted instruction, continue to provide strong literacy instruction in all five pillars of reading: phonemic awareness, phonics, fluency, vocabulary, and comprehension.
- ✓ Focus on helping our students, staff, and families encounter Christ while nurturing their call to contribute to the common good and fostering a call to serve the dignity of the human person.
- ✓ Parents are essential partners in their child's education. St. Martin de Porres School is committed to actively involving parents in decision making.
- ✓ Continuing to enhance the delivery of our Fine Arts curriculum by hiring and inspiring teachers and staff who have a passion and appreciation for the arts.
